It Was Midnight November 4th 1901 In Durham, N.C.

It was midnight, cold and dark. The calendar told the date—Monday, November 4th, 1901. They tell me I opened my eyes and blinked in the glare of the big electric lights. Around me were men in spotless white talking in low tones.

"Jim," one said, "we have been watching for this little fellow for a long while and now he's here."

Jim picked me up, looked me over, struck a match and took a long, deep puff. Then he took another.

"Gentlemen," he said, "He is perfect. Quality does tell. You can't fail to recognize good blood. His mother was a Virginian, his father an aristocrat of the Carolinas. He comes from the very best stock—the very sweetest, ripest, mellowest Virginia and Carolina tobacco, and we will raise him right in one of the whitest, cleanest, healthiest homes on earth."

Even then I was glad all over to hear his words. It is a great thing to have real breeding behind you, to know who your folks are. It starts a fellow right.

*We Folks of the South KNOW good blood.
We Folks of the South KNOW good tobacco.*

That is why I just had to have heaps of friends down South here. I want you, Mr. Reader, for one of my friends, and it means a whole lot when I say—

I am guaranteed by *The American Tobacco Co.* —Buy me. If you don't like me return me to your dealer and get your money back. I have said it. A Southern gentleman is known the world over for keeping his word, and I have given you mine.

GRAYSON.

W. B. Whitt, former State Senator and for years a merchant at McGlone, has accepted the management of the Kitchen-Whitt Wholesale Grocery, in Ashland. Mr. Whitt was a successful merchant at McGlone, a successful man as Senator, and we predict for him success in his new position. He is also interested in the new hardware store recently erected, and now conducted by the Watson Hardware Co.

Oscar Haight, of Everman, raised 1,941 pounds of tobacco this season on exactly one acre of ground. Well informed tobacco men say an average yield of tobacco in this vicinity is from 500 to 700 pounds to the acre. Mr. Haight cut and cured 864 sticks of tobacco on this acre. The tobacco was of the White Burley variety.—Eastern Kentucky Journal.

"CASCARETS" BEST IF HEADACHY, BILIOUS, SICK CONSTIPATED

BEST FOR LIVER AND BOWELS
BAD BREATH, BAD COLDS,
SOUR STOMACH.

Get a 10-cent box.

Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet, breath right, complexion rosy and your liver and bowels regular for months.

Dr. C. G. Gray, of Ironton, aged 74 years, died Thursday night at the State hospital at Dayton, O., from the effects of an acute recurrence of an old trouble. The funeral took place at the home of Dr. Dan Gray, a son of the deceased.

Dr. Gray was for years, one of Ironton's leading physicians and as a surgeon enjoyed state-wide fame.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With
Theford's Black-Draught.

McCliff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.
